Most Powerful Sovereign Grand Commanders, Most Illustrious and Beloved Sisters and Brothers,

As decided in Brussels on December 6, 2024, and incorporated into the preamble of Version 23 of the Universal Grand Charter of the Scottish High Degrees, the 3rd Meeting of the Intercontinental Scottish Jurisdictions (RIJEH) will be hosted in Istanbul by the Supreme Council Feminine – Türkiye.

On this occasion, we will be particularly pleased to welcome you from April 1 to 4, 2027, in Istanbul — a city that once served as the capital of three empires, a crossroads of continents where cultures have intertwined throughout a rich history; a city where cats roam freely through its streets and where, in spring, the shores of the Bosphorus are brightened by the blooming Judas trees.

Details concerning your stay in Istanbul, along with the program, will be communicated to you at the beginning of 2026.

The theme selected for the RIJEH–İstanbul 2027 is:

“In an age shaped by virtual experience, how can the Scottish Rite maintain its resonance in individuals’ lives and foster a shared social energy?”

Please find attached the thematic orientations concerning this topic. As we will be preparing the materials to be distributed to all participating jurisdictions, we would be grateful if you could kindly send the work prepared by your Jurisdiction to the following address:

kadinsupremkonsey@gmail.com, before October 1, 2026.

We look forward to welcoming you to RIJEH-2027 in Istanbul and to strengthening our fraternal bonds. Please accept our most fraternal Scottish greetings.

Hadiye OLCAYTO 33°
Most Powerful Sovereign Grand Commander
